

**1988 called.
It wants its technology back.**

**Update to growth 2.0 with SPARTA and its
streamlined technology for program business.**

Is your carrier's outdated legacy system bogging you down? Time to move forward with a new insurance partner — and a web-based policy administration system. Let SPARTA make it easy for you to:

- > Administer your programs in real-time, online
- > Accelerate your speed to market
- > Seamlessly exchange data with other systems
- > Access complete program information and analytics anytime

Upgrade to the new standard in program efficiency. Contact SPARTA at 860.275.6500 or spartainsurance.com.

Coverages: auto | general liability | property | workers' compensation
Classes: commercial retail | wholesale | service | light manufacturing | habitational

Specialty Program and
Risk Transfer Alternatives
