

**You can't seize today's opportunities if you're tangled up in yesterday's technology.**

**Power your program business with SPARTA — and its leading technology platform.**

Spend less time administering your programs and more time growing your business with SPARTA's program-specific, user-friendly infrastructure:

- > Administer your programs in real-time, online
- > Accelerate your speed to market
- > Seamlessly exchange data with other systems
- > Access complete program information and analytics anytime

Upgrade to a new standard. Contact SPARTA at 860.275.6500 or [spartainsurance.com](http://spartainsurance.com).

Coverages: auto | general liability | property | workers' compensation

Classes: commercial retail | wholesale | service | light manufacturing | habitational

Specialty Program and  
Risk Transfer Alternatives
